SUPPORT INDIANA 4-H

"I encourage everyone who supports 4-H to purchase the Foundation plate. The plate fee supports programs for young people statewide, and a portion of the money from each plate that is sold goes right back to 4-H in the county where the plate was purchased."

- Tom McKinney

A LETTER FROM THE PRESIDENT

Dear Friend of the Indiana 4-H Foundation,

Because of the tremendous support we have received from individuals, corporations and foundations across Indiana you have helped to make my first year as President of the Board of Directors of the Indiana 4-H Foundation a great success. I am humbled at the generosity of people who love 4-H and understand the importance of 4-H for youth today.

This year we received funding from Dow AgroSciences to help advance STEM (Science, Technology, Engineering and Math) education. Dow AgroSciences understands that with nearly 200,000 members and 15,000 adult volunteers 4-H in Indiana is uniquely positioned to develop America's future generation of scientists and engineers. Because of the wide variety of science, technology, engineering and math programs 4-H already offers and the resources it has, 4-H will have the opportunity to tailor its programming to expand the number of young people involved in science, technology, engineering and math regardless of where they live.

The Indiana State Department of Ag funded ninety five 4-H scholarships in forty six counties, understanding that 92% of 4-H youth plan to pursue higher education.

Barbara Faris of Kosciusko County left a generous estate gift to the Foundation helping to ensure that the highest level programs are available for 4-H youth. Steve Allen endowed a scholarship for Extension Educators' professional development in the name of his wife the late Janet Allen who was an Extension Educator in Indiana for many years.

We couldn't accomplish any of this without our generous donors and sponsors. Thank you for supporting 4-H youth through the Indiana 4-H Foundation and for being a part of a program that is changing lives of young people across Indiana every day. Thank you for appreciating the impact that you can have by investing in a bright green future.

To make the best better,

Tom McKinney

Indiana 4-H Foundation President, 2013

Tom McKinney

OUR BACKGROUND

For more than 100 years, 4-H has stood behind the idea that our youth are the single strongest catalyst for change. What began as a way to give rural youth new agricultural skills, today has grown into a global organization that teaches kids life skills.

4-H is dedicated to positive youth development and helping youth step up to the challenges in a complex and changing world. 4-H is dedicated to helping cultivate the next generation of leaders and tackling the nation's top challenges such as the shortage of skilled professionals, maintaining our global competitiveness, encouraging civic involvement, and becoming a healthier society.

MOST EFFECTIVE YOUTH ORGANIZATION

According to an in-depth, longitudinal study conducted by the Institute for Applied Research in Youth Development, 4-H youth are three times more likely to actively contribute to their communities and have higher educational achievement.

WHAT DOES 4-H OFFER YOUTH TODAY?

4-H SCIENCE explores such relevant and cutting-edge topics as climate change, water quality and usage, alternative energy, robotics, scientific and technology literacy and sustainable agriculture.

4-H HEALTHY LIVING is a holistic approach that includes encouraging healthy eating habits, physical fitness, the capacity to recognize and direct emotions and the ability to develop and maintain positive social interactions and relationships.

4-H CITIZENSHIP concentrates on community action, leadership and personal development, and communication and expressive arts. Through citizenship programs 4-H youth develop concrete skills to become capable, confident and contributing citizens.

LIFE SKILLS: The life skills that 4-H kids learn are as diverse as the kids themselves.

4-H LIFE SKILLS DEVELOPMENT

In a recent survey conducted by Indiana 4-H, youth respondents noted that 4-H influenced important life skills that are needed for positive growth and development. These skills are the skills that researchers believe help to bridge academic achievement with post-secondary and workplace experiences, enhancing an individual's chances of moving successfully into adulthood. Of thirty five life skills listed, the top fifteen identified life skills acquired by Indiana 4-H youth are*:

- 01 SELF-RESPONSIBILITY
- 02 SELF-MOTIVATION
- 03 COMMUNICATION
- 04 LEADERSHIP
- 05 GOAL SETTING
- 06 RESPONSIBLE CITIZENSHIP
- 07 PLANNING/ORGANIZING
- 08 COOPERATION
- 09 CHARACTER
- 10 SOCIAL SKILLS
- 11 DECISION MAKING
- 12 SELF-DISCIPLINE
- 13 SELF-ESTEEM
- 14 TEAMWORK
- 15 CONTRIBUTIONS TO GROUP EFFORT

\$50,000 CHALLENGE GRANT

WE TRIPLED YOUR DONATION!!

JBS United, Indiana Farm Bureau, and the Indiana 4-H Foundation Board of Directors challenged you to match their commitment to the Indiana 4-H Foundation and Indiana 4-H. And with a resounding YES, you did not just match that commitment, you tripled that commitment.

Our Challenge Grant goal was to raise \$100,000 by the end of 2013 – with your direct support we raised \$146,465.80. This was our best fundraising drive to date. We are overwhelmed at the response and appreciate your investment in Indiana 4-H. Thank you to our wonderful donors who always step up to the plate when asked, and to our new donors who met this challenge, maybe as a first time donor or as a returning donor. Every donation made a difference.

With your support we will be able to continue our mission of supporting very important Indiana 4-H programs.

In addition to all the financial support we received, we also want to thank you for all the words of encouragement and affirmations you sent our way, including some wonderful endorsements in unexpected places. We appreciate all of it immensely.

We are humbled by your amazing generosity and promise to **Make the Best, Better.**

"Supporting Indiana 4-H is supporting both our present and our future. Many of our members fondly recall their own 4-H years, the friends they made and the skills they honed. Today, they spend countless hours with their children and grandchildren to assist the organization and its goals."

-Don Villwock, Indiana Farm Bureau

"JBS United has contributed to the 4-H organization in many different ways as a company and our employees have contributed also. We have many former 4-H members throughout our organization, and to the individual, they believe in the principles and programs, and none would trade their experiences. As a company, JBS United, believes that 4-H is one of the premier educational experiences of our youth, and needs to be funded for the future of our country and industry."

2013 FARM CREDIT MID-AMERICA 4-H COMMUNITY SERVICE PROJECT

What could you do in your community with \$10,000? When you are with a 4-H Club in Indiana, the answer is A LOT! Farm Credit Mid-America challenged 4-H youth in Indiana to put \$10,000 to work. Working with adult volunteers and leaders 4-H Clubs developed community service projects. Youth then created a proposal for \$750. Each project's Farm Credit allocation was matched by the youth with an equal or greater value of cash, products or services.

426 4-H members participated in the Farm Credit Community Service program, along with 57 Adult 4-H Volunteers, over 1,051 other community members, and 28 Farm Credit Mid-America employees did \$24,150 in community service projects.

Thirteen 4-H Club projects were funded. From planting trees to pouring concrete –youth put the Farm Credit funding to work. Individual project highlights included:

Thank you to Farm Credit Mid-America and their staff for their support of these community projects in 2013.

"What a great opportunity for our young leaders of tomorrow to learn about all aspects of community living."

– Adult Participant

2013 HONOR ROLL OF DONORS

Your continued support of the Indiana 4-H Foundation and Indiana 4-H Resource Development has continued to secure funding for key programs, built an endowment to create vital scholarships, and helped 4-H become more visible throughout the state as the leading organization in accepting tax deductible contributions to support Indiana 4-H.

Please consider your personal commitment to the Indiana 4-H Foundation as an investment in the future of 4-H and the future leaders of our state and beyond.

You can make tax-deductible contributions to the Indiana 4-H Foundation in many ways. Gifts of cash help us to meet our immediate needs in program creation and development while

endowed gifts assure that the Indiana 4-H Foundation will be viable far into the future.

Please consider options such as gifts of stock, real property, grain and other assets to support the Indiana 4-H Foundation today and consider a bequest, annuity or trust to secure Indiana 4-H for years to come.

We cannot thank you, our generous supporters, enough for giving to 4-H Resource Development at Purdue University and the Indiana 4-H Foundation. Donations to both 4-H Resource Development and the Indiana 4-H Foundation are used to support Indiana 4-H programs.

MULTIPLY YOUR DONATION TO THE INDIANA 4-H FOUNDATION
